For

We will
leave
him

Yes!

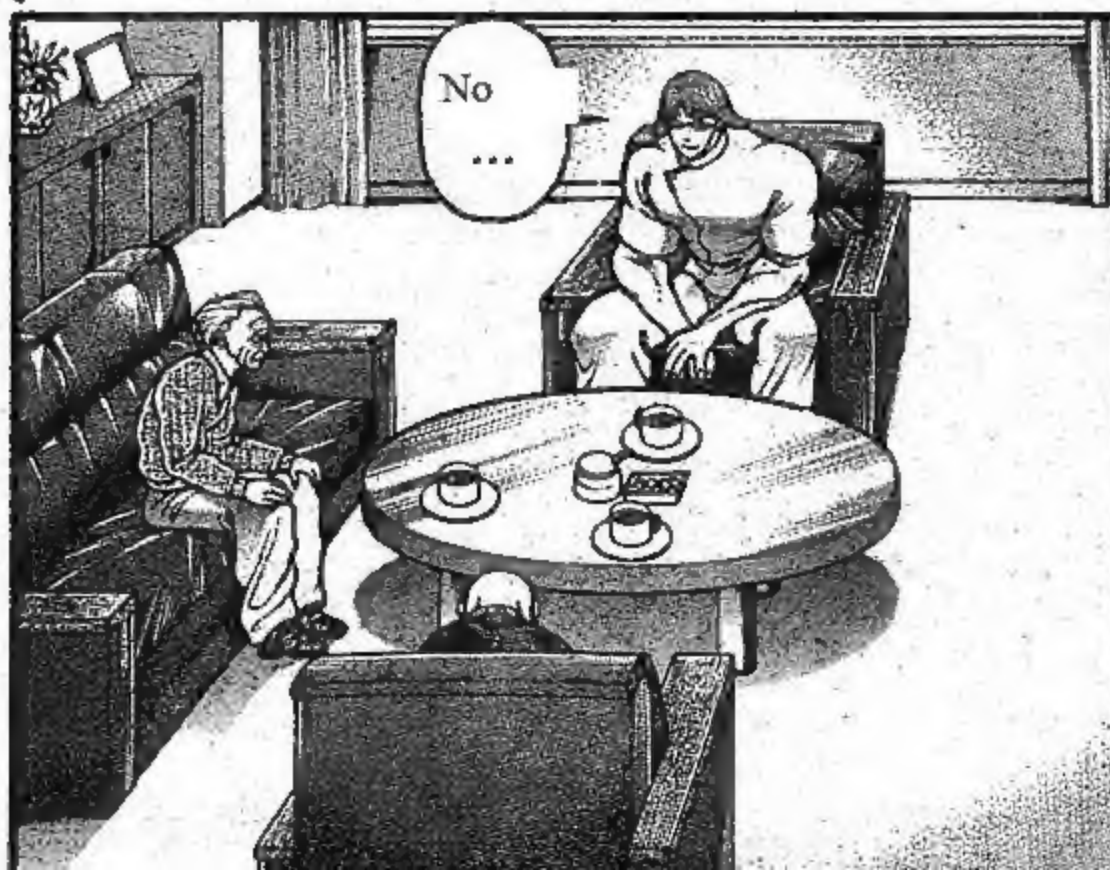

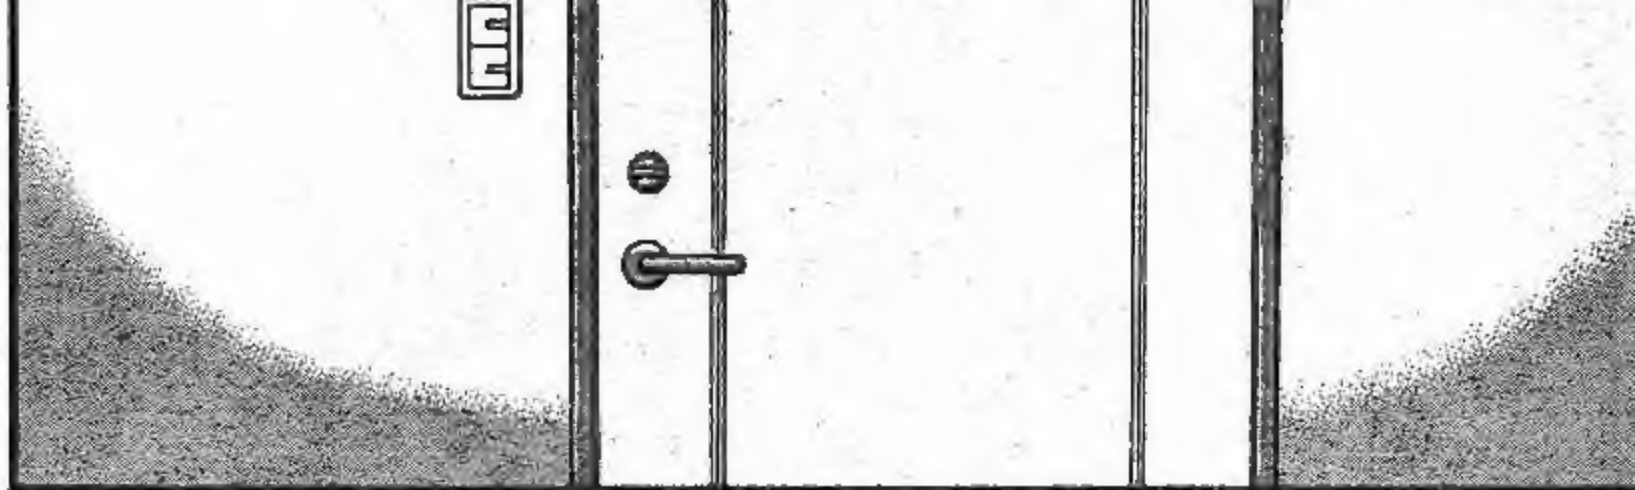

With the
antibiotics
and
analgesics

Yes!

Change
his
bandages
every 12
hours

Now we
must
wait

I did all
that I
could

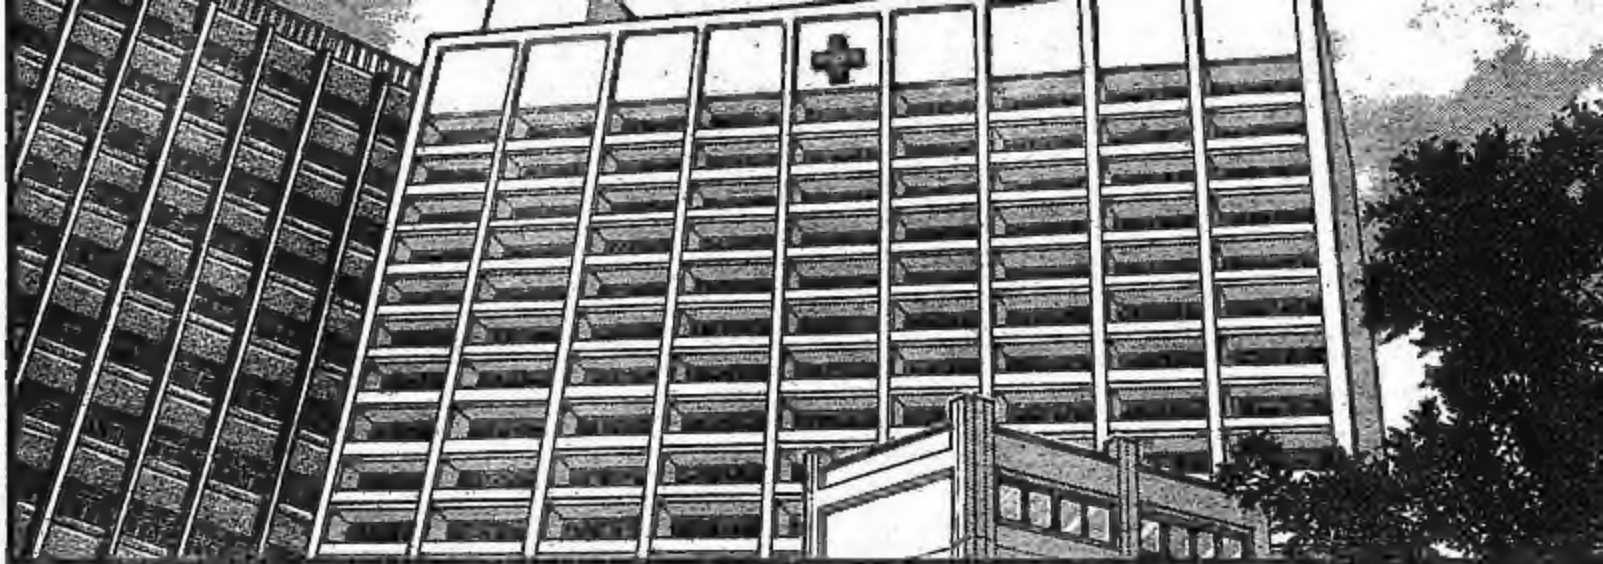

In
addition

His nerves
were not
affected
because

Although his
spine has
endured
enormous
pressure,

In fact
...

His body is
fortunately
very
resistant.

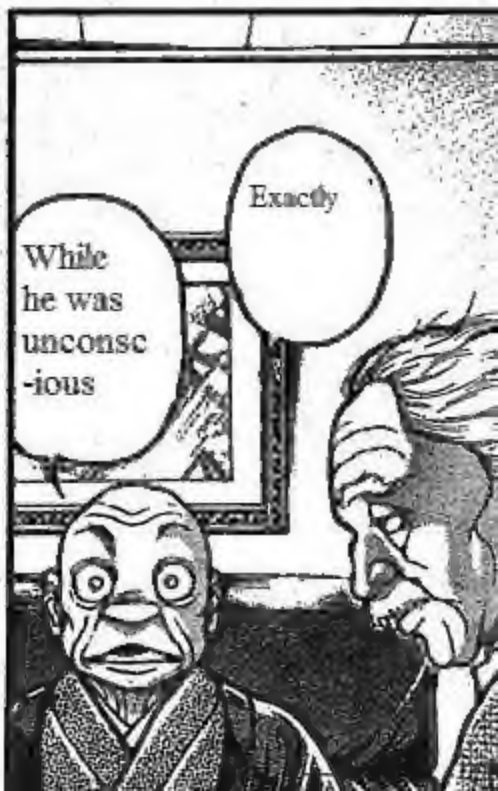

...
like that.

After
he
fainted ?

Even
after
...

While
he was
unconsc-
-ious

Exactly

...
Dr. Albert Payne,
you surely know
this
phenomenon?

.....

Well even
when a man is
unconscious

Huh,
what
exactly?

.....

Dead
...

Or
appears
to be

He can
still
move.

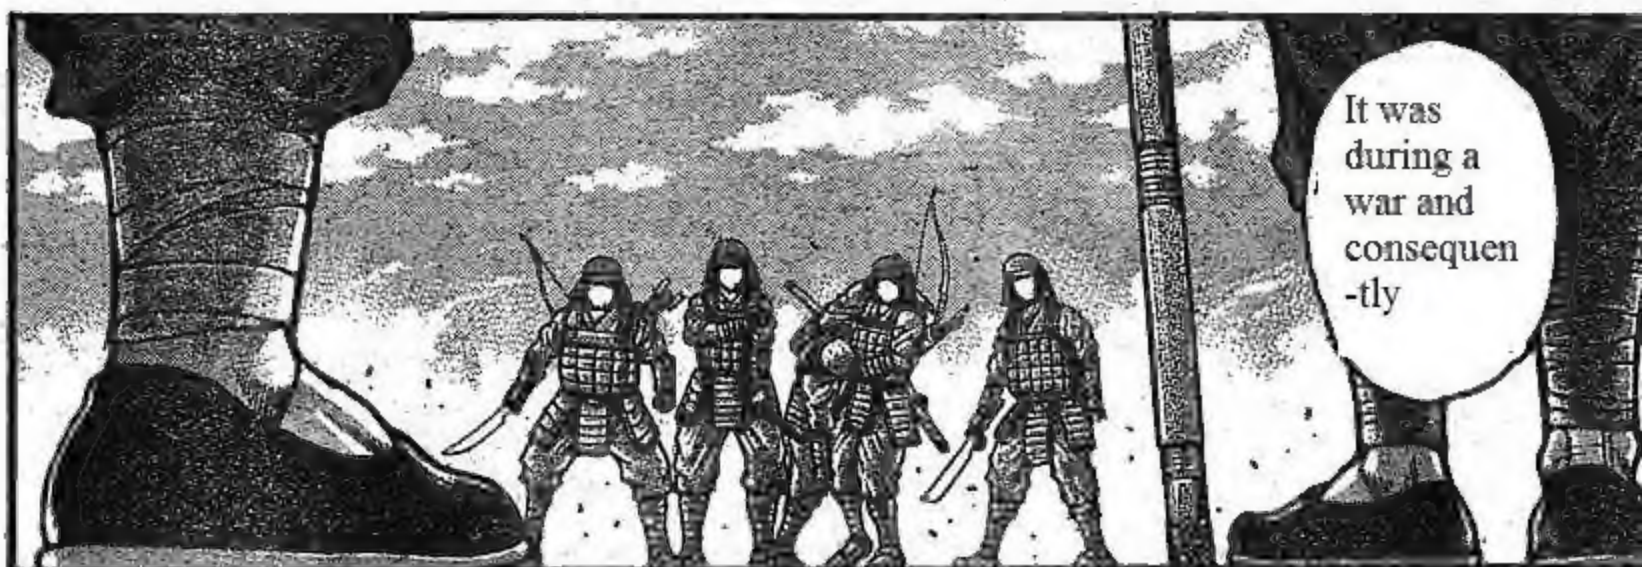

in a slightly
peculiar
situation

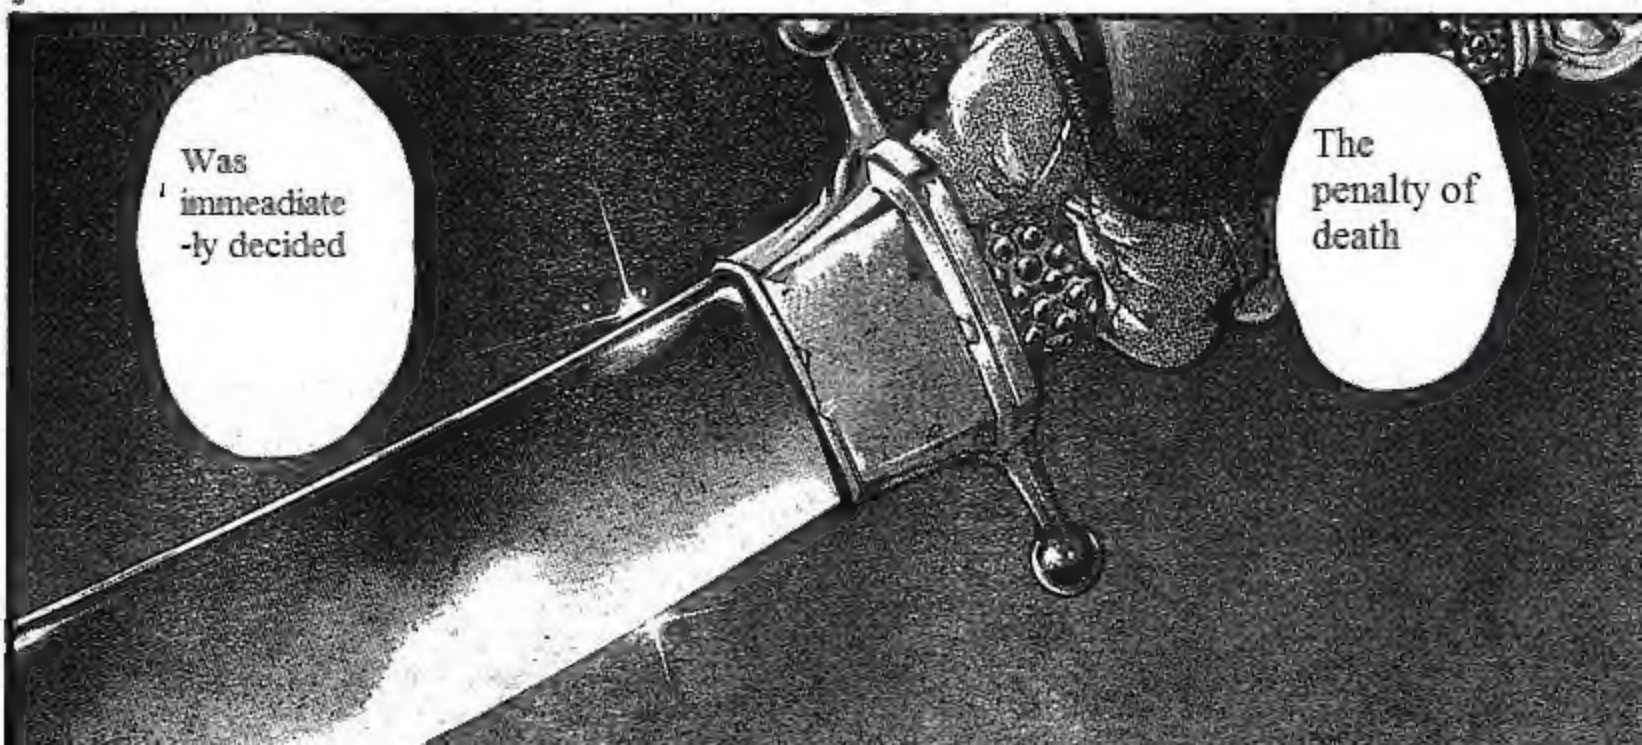

It is only
a war
story

But it is
a true
story

It was
during a
war and
consequen-
-tly

Was
immeadi-
-ly decided

The
penalty of
death

The moment
before the
execution was
due to begin,

made a
strange
declaration

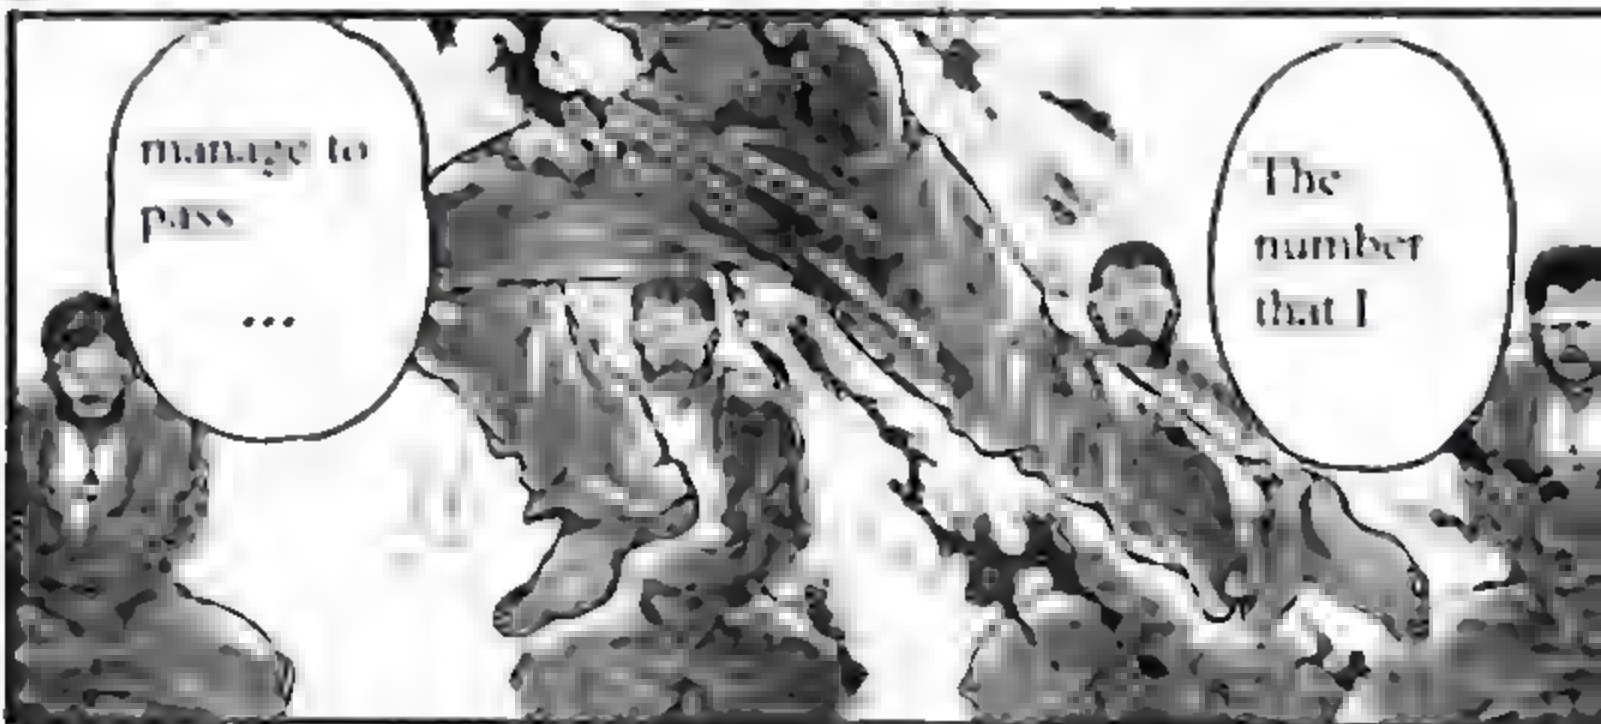

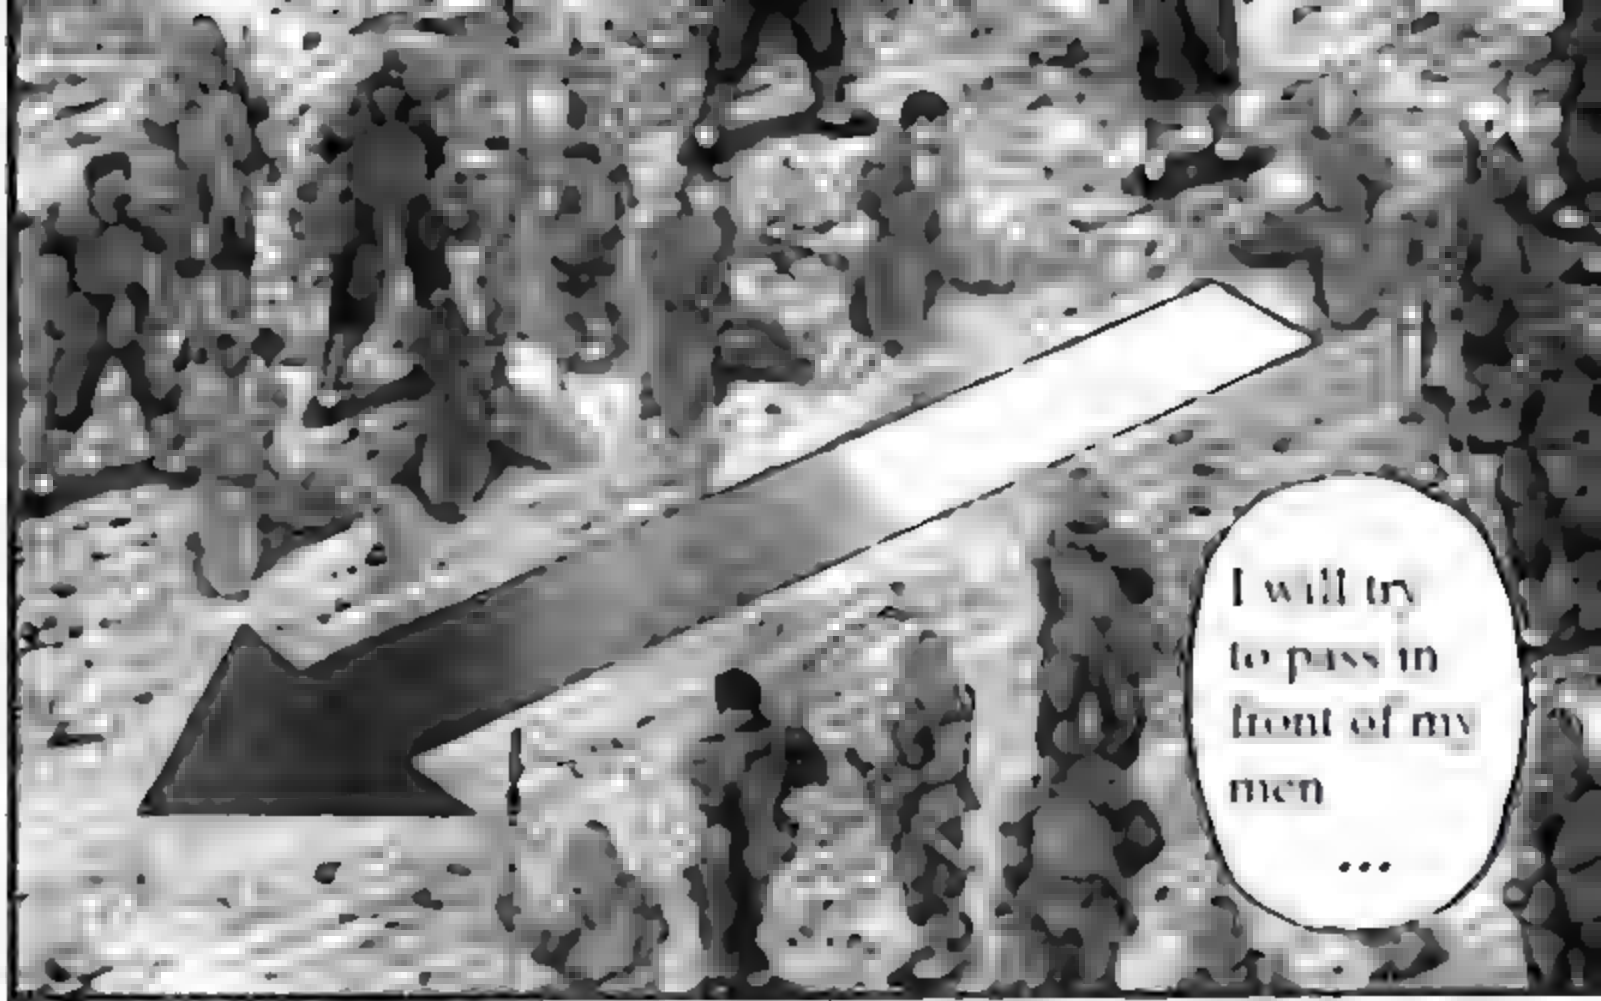

The
leader of
the
deserters

I will take it with
me and I will run.

You who would
take my head,

All those
that I
pass by
...

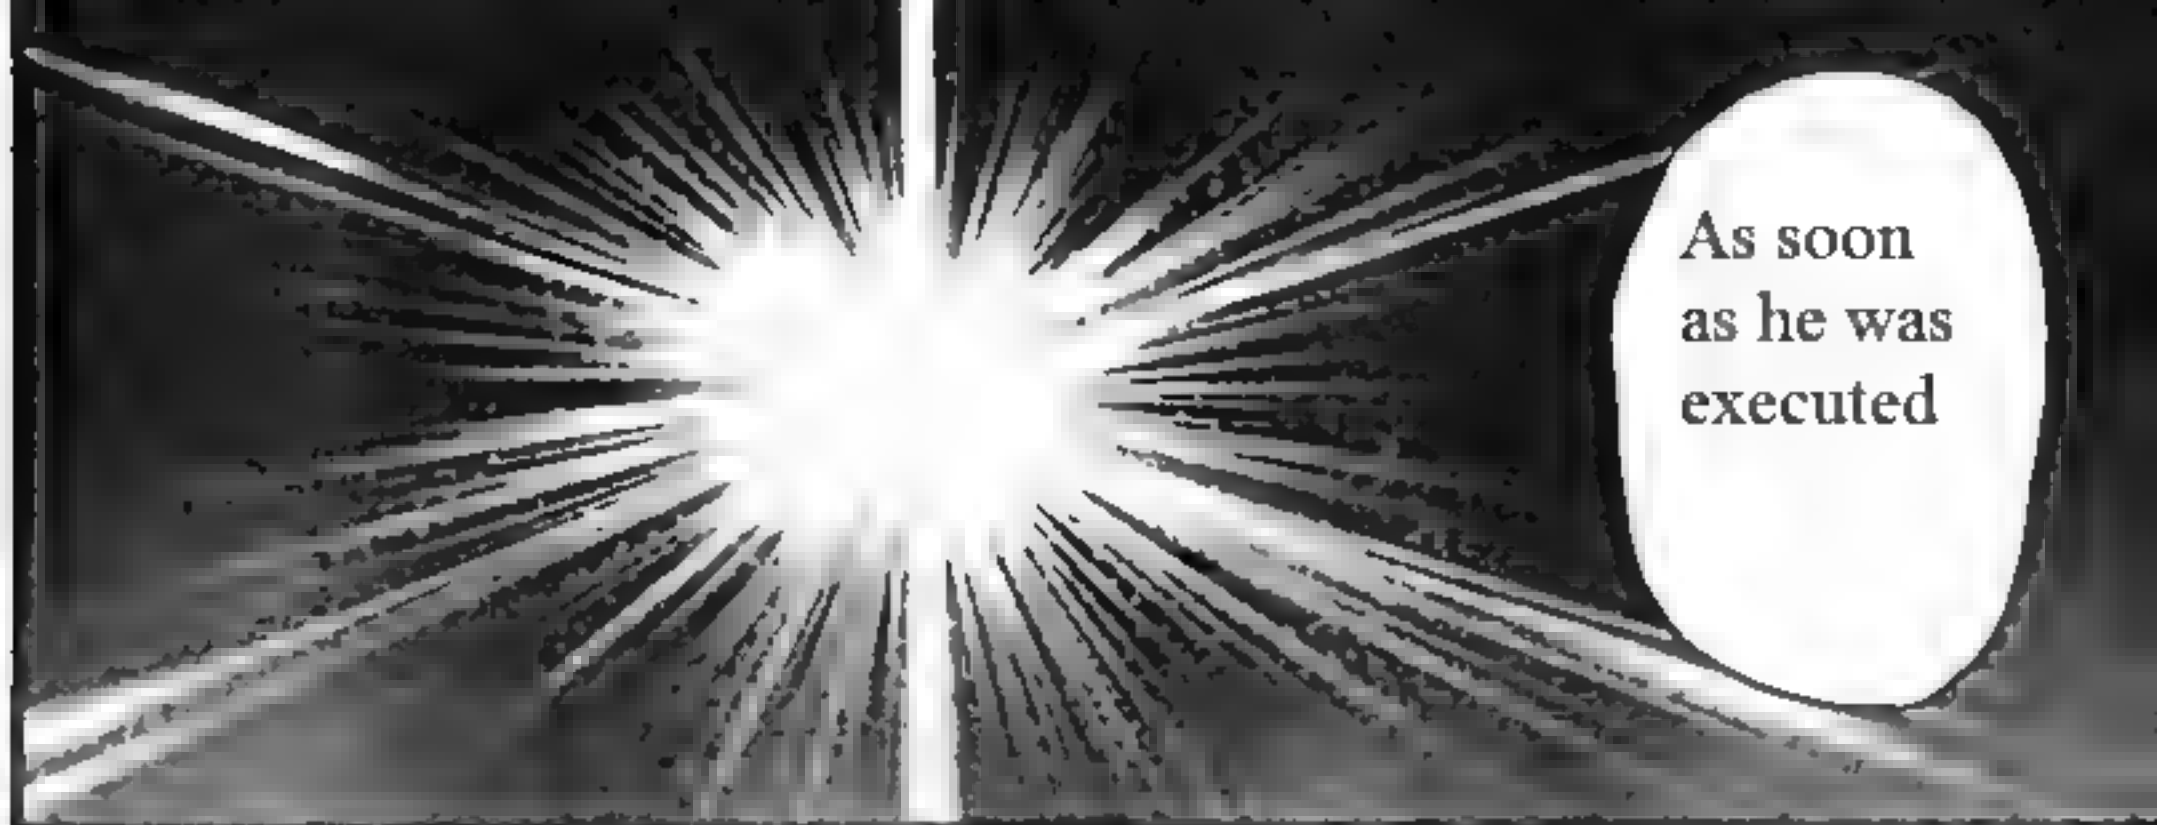

Whether that be 1
person or 2
...

Will be
saved!!!

"If you
want to
try go on
then!"

The
soldiers
started to
laugh

As soon
as he was
executed

And so he
did.

He
started
to run!

部下全員の
前をツツ

He passed
in front of
all of his
men

...

Carrying
his head

Conse-
quently

This
man
is a man

He never
stops

...

This is
what
Jack
Hanma
did

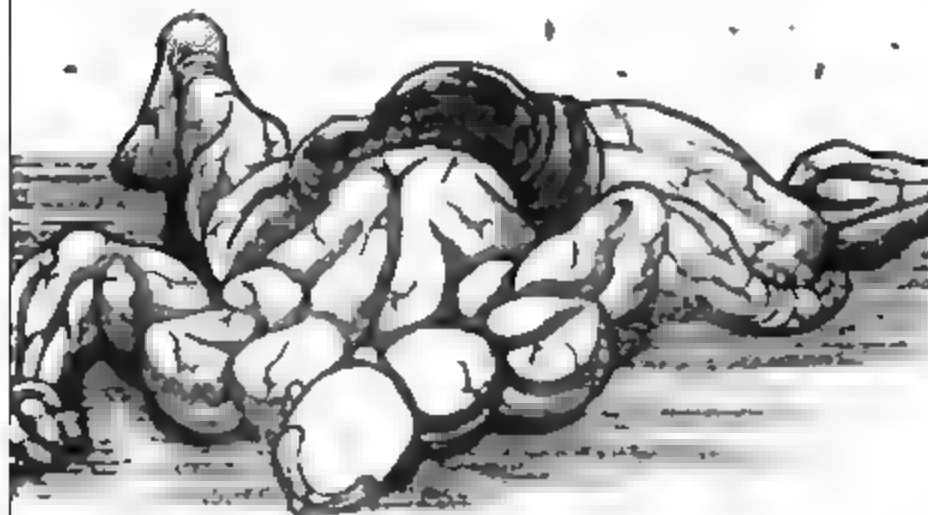

...

Power

His life is
devoted to

At that
precise
moment,

Just after
he
collapsed
